Hashtag Portal is loaded with useful, functional options which allow clients to quickly and easily sell properties.

Hashtag Portal is Australia's leading aggregation group, we are the innovators in strategizing the right properties, thru research, advice and long term relationships with our builders & development networks. We are not just another portal but a one-stop-shop for all property services and stock across Australia.

85% of agents across Australia sell below 40% capacity due to the lack of doing average industry standard completions of their after-sales. While our hardworking agents are out there selling and assisting clients with 7-star services you need a solid trustworthy backend team and administration support that works at a pace like no other.

A team that delivers stock knowledge to our agents and then a smooth transition from EOI to settlement administration is the key to property success.

We specialise in property and real estate and are committed to helping our students build the fundamental blocks needed for their future careers and businesses. This means we are always at the forefront of innovative digital training and communication solutions. It enables us to bring the latest thinking, tech and techniques to the ever-changing challenges faced by real estate professionals and the industry. To put it simply, we partner with business owners and real estate professionals in sales and property management to help them build a brand that sets them apart from others.
